

Child Welfare List of Contacts

All children under 18 taking part in our activities should feel supported, and have their rights, wishes and feelings respected without the fear of discrimination or degrading treatment. The needs and welfare of children is paramount. We take all concerns seriously, including bullying.

If your concern relates to the training or coaching programme you may feel it appropriate in the first instance to talk to your coach. However, if you have any concerns about your/your child's welfare, please do not hesitate to directly contact Bridget Owen, our Lead Welfare Officer.
